Instructions

- Print off the templates & cut them out.
- Trace them onto recycled board, so that you have a full rainbow instead of the half available in the template.
- Cut them out and decorate them on both sides. You can use old fabric and wool, instead of crayons or paint, to add colour.
- Use the string to join up the separate elements. The needle will help to make holes in the board.

Enter to Win!

The best entry for our Children's Rainbow Mobile will receive a £10 Amazon Voucher to keep them entertained at home!

*Full T&C's on the website:

- Beads/bottle tops will give weight to end of the string to help keep the rainbow, clouds, droplets and letters hanging nicely.
- Make a loop at the top to hand it in your window.

To Enter take a pic & post!

No Printer? Try using a paper plate, as the rainbow instead, or use household objects that are round, to create the right shape and draw your own droplets and clouds!
